

Bring Your Own Brain: Celebrating Neurodiversity in STEM Careers

it.vt.edu/neurodiversity

- ▶ Wednesday, April 28 from 6-8 p.m.
- ▶ This panel discussion centers the experiences of neurodiverse persons at various stages of their careers in STEM fields and will be a lively and engaging discussion of how workplaces have changed and how they still need to change to be welcoming to people who think and process information differently.
- ▶ Zoom Webinar with four panelists joining from remote locations; recorded and captioned
- ▶ Co-sponsored by the College of Science, Office for Inclusion and Diversity, the Autism Center, and the Disability Alliance and Caucus at Virginia Tech. We'd be open to more partners if your College or Department would be interested.
- ▶ Please plan to attend and help us get the word out about this event - we will be sharing the registration link very soon.
