

WHIT (Women Hokies in IT)

- ❑ WHIT was launched in 2019 to build a strong support network for female technology professionals and allies at Virginia Tech.
- ❑ The goal is to encourage individuals to reach their full potential, professionally and personally, by addressing issues through open communication, networking, and inspiration.
- ❑ Join a Microsoft Team for WHIT (Women Hokies in IT). The team code is mkmceb2.
- ❑ Join the WHIT google group.
