# Qualtrics

# Qualtrics licensing has a new pricing model.

The listed prices pertain to the number of responses per account/license, per year.

There are no unlimited response licensing options.

| $1,620 | Up To 2k Responses per Year |
| --- | --- |
| $4,050 | Up To 5k Responses per Year |
| $5,832 | Up To 10k Responses per Year |

You can place an order with Departmental Software for 5 or fewer licenses for any of the response tiers listed above.

If you need more than 5 licenses or more responses, you will need to request a custom quote.

# Requesting a Quote

Please visit the ITPALS Qualtrics webpage for details on submitting a request for a custom quote.
