

# The VT Enterprise Atlassian Jira Server end of life is February 15, 2024

The screenshot shows the Atlassian website's navigation and a promotional banner. The top navigation bar includes the Atlassian logo, menu items for Products, Solutions, and Resources, a search icon, a 'My products' button with a grid icon, and a user profile icon labeled 'JK'. Below this is a secondary navigation bar with 'Migration Program' and sub-menu items: Prepare, Migrate, Get help, and Contact sales, along with a 'Claim free trial' button. A light blue banner below the navigation contains the text: 'Limited-time offer: Try cloud for free for 6 months when you claim your [Cloud Migration Trial](#) before November 30, 2023.'

The main content area features a large light blue box with the following text:

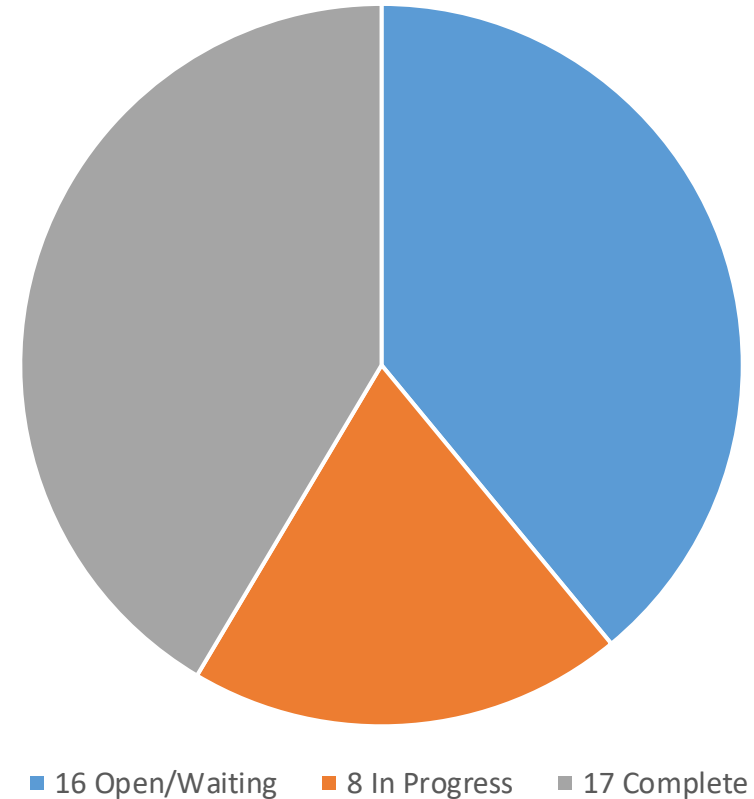

- i Support for Server products ends on Feb. 15, 2024**
- Atlassian and Marketplace Partners will no longer offer technical support, security updates, or bug fixes for vulnerabilities.
- [Explore Cloud](#) [Contact us](#)

To the right of this box, a vertical line separates it from a text block that reads: 'Server support ends in **5 Months**'.

# Project Archival

The Enterprise Systems Technology, Strategy, and Planning team is glad to

- Export your Jira data in the export formats provided by Atlassian, and
- Provide an archive of your Jira project with attachments.

Contact either Lucas Covey ([lcovey@vt.edu](mailto:lcovey@vt.edu)) or Joe Kelley ([jkelly@vt.edu](mailto:jkelly@vt.edu)) if there are questions
