Powered by Zoom

A screenshot of a web browser displaying the Zoom Phone settings page. The browser's address bar shows the URL 'zoom.us/pbx/page/telephone/myZoomTelephony#/my-cloud-phone/settings'. The page has a dark blue header with the Zoom logo and navigation links. A left sidebar contains a menu with categories 'PERSONAL' and 'ADMIN'. Under 'PERSONAL', the 'Phone' option is selected and highlighted in blue. The main content area shows various settings for the phone, including 'Site', 'Package', 'Number(s)', 'Extension Number', 'Emergency Address', 'Outbound Caller ID', 'Country/Region', and 'Area Code'. The 'Settings' tab is active, and several elements like 'Settings', 'Personal Emergency Address', and 'Edit' buttons are highlighted with red boxes. A blue chat bubble icon is visible in the bottom right corner.

Desk Phone Solutions

Supported device evaluations focus on **security** and **functionality**.

Common area phones: Poly Edge E220

Standard users: Poly Edge E350

Advanced users: Poly Edge E450

Timeline and Metrics

Timeline

Implement custom features
Collaborate on next generation functionality

**2023 Q2 - Q3
Transition of Early Adopters**

Start of transition for departmental users

**Until 2024 Q3
1 year transition period**

Collaborate with departments and university groups on the hands-on transition of phone services

Architecture, Design, & Transition Planning

Communicate and prepare large-scale transition to enable university users

***Tentative Timeline**
