A screening of the acclaimed movie *Hidden Figures*  
+ evening tours of science & technology facilities at Virginia Tech!

Doors open at **3:30**, and all events are **free** of charge - but you do need to **pre-register** so that we can keep track of how many spaces are left.

Forging a career in science and technology fields takes dedication, a willingness to learn, and the vision to keep moving forward. Like the courageous women in *Hidden Figures*, your interests in science and technology will shape the future.

So choose your own adventure! And stay inspired.

**MARCH 20, 2018, 3:30PM***  
**HAYMARKET THEATER, VIRGINIA TECH**

*Additional events are also occurring on the evening of March 19th*
